**MALAYSIA-HOLLAND “INDUSTRY & AUTOMATION”
BUSINESS MATCHMAKING OPPORTUNITIES
KEYNOTE ADDRESS & OFFICIAL OPENING
SUNDAY, JUNE 27, 2009; PENANG**

A trade and investment mission from Holland specifically for ‘Industry and Automation’ will be visiting Penang from June 28 to 30, 2010. Coordinated by FMM, the key objective of the business matching event is to enhance and promote business opportunities and partnerships between Dutch and Malaysian companies.

A total of 11 Dutch companies are seeking business partners, distributors or suppliers for a wide array of products ranging from sensors, food processing equipments, coatings, flow meters, motion controls, broadband as well as interior design and fitness equipment.

The highlights of the event include individual business matching and networking sessions with potential business partners and representatives from relevant government authorities and a half day seminar on the outlook of industrial automation industry in Malaysia and business opportunities in Holland.

The FMM is pleased to invite you to cover the Keynote Address and Official Opening of Malaysia-Holland “Industry & Automation” Business Matchmaking Opportunities by YAB Lim Guan Eng, Chief Minister of Penang.
