

FMM MALAYSIAN COSMETICS AND TOILETRIES INDUSTRY GROUP (FMM MCTIG)

The Malaysian Cosmetics and Toiletries Industry Group (MCTIG), operating under the aegis of the Federation of Malaysian Manufacturers (FMM), was established on February 23, 1989 to articulate the interest of the industry. Serving as a channel for feedback from the industry to the government and vice-versa, the Group had been making appropriate recommendations to the government on policies and issues which affect the industry as a whole.

OBJECTIVES

The main objectives of FMM MCTIG are as follows:

- To promote co-operation among the industry in Malaysia.
- To promote the development of the cosmetic industry in Malaysia by formulating appropriate recommendations on industrial, economic and fiscal policies, incentives, market protections and other measures.
- To serve as a channel of communication between the cosmetic and toiletries industry and the Government on matters of particular concern and interest to the industry.
- To collect and disseminate statistical data and other information pertaining to the industry so as to promote the welfare of the industry.
- To promote the interest of the industry in the ASEAN context, through active participation in the activities of the ASEAN Cosmetic Association as well as in the industrialised and developing countries.
