

MALAYSIAN PETROCHEMICALS ASSOCIATION (MPA)

The Malaysian Petrochemicals Association (MPA) was officially formed on March 19, 1997 and it is a formal association registered with the Registrar of Societies, Malaysia. MPA members engaged in the manufacture and trading of petrochemicals and plastic resins.

The main objectives of MPA are as follows:

- To provide a forum to discuss and resolve common problems of the petrochemical industry.
- To provide a focal point for the petrochemical industry to liaise with the public and government and to make recommendations on relevant issues.
- To advance the philosophy of Responsible Care, its implementation and compliance throughout the industry.
- To represent the petrochemical industry within Malaysia to interface with similar groups on international basis.
- To compile and disseminate information of common concerns and provide facilities for consultation and exchange of views between members.

The Plastic Resins Producers' Group (MPA PRPG) is a product group under the Malaysian Petrochemicals Association (MPA). Membership in PRPG is open to manufacturers of plastic resins in Malaysia.
