

FMM Selangor Congratulates Pakatan Harapan as the new State Government of Selangor

Shah Alam, May 17, 2018 - The Branch Chairman, Mr Jacob Lee Chor Kok and members of the Federation of Malaysian Manufacturers (FMM) Selangor Branch convey our heartiest congratulations to Pakatan Harapan on winning the 14th General Election and the swearing-in of Yang Amat Berhormat Dato' Seri Mohamed Azmin Bin Ali as YAB Dato' Menteri Besar Selangor.

FMM Selangor has been working closely with the State Government through Invest Selangor Berhad and Yang Berhormat Dato' Teng Chang Khim, Selangor State Senior Executive Councillor for Investment, Industry and Trade, and Small and Medium Industries. In 2014, FMM Selangor completed a joint study on industrial parks in Selangor which was sponsored by the State Government and we are glad to see that one of the proposals would be adopted whereby the Local Councils in Selangor would set aside a fixed portion of assessment collected from the industries for the maintenance of industrial parks addressing the long-standing infrastructure issues. This proves that FMM Selangor has had a fruitful relationship with the State Government on our common aim to bring investment into the most industrialised state in Malaysia.

It is FMM Selangor's sincere hope that the State Government under YAB Dato' Seri Mohamed Azmin Bin Ali will continue to support the manufacturing community in Selangor and foster closer rapport with the private sector.

FMM Advocates Transparency, Integrity and No Corruption

About FMM

The Federation of Malaysian Manufacturers (FMM) has and continues to be the voice of the Malaysian manufacturing sector since 1968. Representing the views and interests of over 3,000 manufacturing and manufacturing services companies, FMM is actively engaged with government and its key agencies at Federal, State and local levels. FMM is well-networked with international organisations, Malaysian businesses and civil society. Apart from benefitting from FMM's advocacy, FMM members enjoy value-add services, including training, business networking and trade opportunities as well as regular information updates.
