# Collaborative Robots – Your Co-Worker at Work

August 2, 2016 (Tuesday) • 8.30am -5.00pm

Wisma FMM, No 3, Persiaran Dagang, PJU 9, Bandar Sri Damansara, 52200 Kuala Lumpur

You have heard of the benefits of automation for your business. But what about employees who work hand-in-hand with these new technologies? What is the impact of automation on an employee's daily work routine?

**Universal Robots** believes that collaborative robotic technology can benefit all aspects of task-based businesses. Education, flexibility, fun, productivity, safety and an improved work culture will happen when working with collaborative robots (cobots) on a daily basis.

Join us for a one-day educational session which would answer questions on deploying robots to work with employees.

- Understand the unique features of collaborative robots
- Learn the technical aspects for deploying collaborative robots

## WHO SHOULD ATTEND

- CEOs, Managing Directors
- Business Owners
- Engineers
- Production /Factory Managers
