- ✓ **TRENDS RADAR** on technology & innovation shaping future

**Global Accelerator Programme (GAP)**

GAP aims to accelerate global and local startups

- To be investment-ready in 4 months, and
- To build a strong startup community in ASEAN.

GAP start-ups are top of class, pre-selected from thousands of applications received by MaGIC. For 2018, ONLY 27 were selected from over 1,000 applications!

GAP start-ups must be & their performance TRACKED for:

- ◆ **Product-Market Fit**
Identifying the target market to build the right product
- ◆ **Metric-Driven**
Measuring the right metrics to drive the required outcomes
- ◆ **Expansion**
Position for local expansion & ASEAN growth

**Explore potential collaboration & future investments**

- ◆ Check out new solutions, innovation, Industry 4.0 & technologies relevant to manufacturing
- ◆ Special FOCUS: Electrical, Chemical, Metal, Food & Beverage industries

**Build network with peers, MaGIC & start ups**

- ◆ Platform to share knowledge & exchange business contacts
- ◆ Learning opportunities on new innovation methods to solve operational issues & new business models

Grab this opportunity to join MaGIC's GAP Pitching Session, organised exclusively for FMM members with presentations from 14 GAP start-ups offering solutions relevant to manufacturing operations and business expansion! Other GAP start-ups & alumni are also expected to attend the networking.

Malaysia Global Innovation & Creativity Centre or MaGIC is a one-stop centre for entrepreneurs, providing every facility an entrepreneur needs from obtaining funding from banks or venture capitalists to providing incubators for developing start-ups to improve their products or services.

MaGIC, as an agency under the Ministry of Finance, is preparing SMEs for IR 4.0 by facilitating SME innovation through collaboration with Entrepreneurs.
