

Chemical Safety and Noise Management at Workplace

May 23-24, 2018 | 9.00am - 5.00pm | Shah Alam Convention Centre

FACILITATOR

Mr. Konasaigran holds a master's degree from New Zealand. He has since worked in the local university embarked on research projects funded by the International Tin Council. He left in 1985 to join a leading multi national glass manufacturer and over the past twenty five years has worked in the production encompassing productivity/process improvements, safety, TPM, waste elimination activities, quality, Procurement and in the last six years in Human resources. His experience in Human Resources covers the acquisition and merger of a eastern culture based company into western management practices. Konasaigran has vast hands-on experiences conducting in house training programmes. He has attended extensive TPM, Quality, Productivity and Human Resources programmes and workshops both locally and overseas. Konasaigran is also a certified Safety Officer registered with DOSH Malaysia.

WHO SHOULD ATTEND

Safety Committee Members, Maintenance workers or group leaders who are keen in grasping a full overview of Chemical Handling safety at workplace
