Panel of Trainers

1) Mr. Kuang Kok Hoo (TTT/0523) a graduate from the Universiti Sains Malaysia, majors in Applied Statistics and Operational Research and minor in Management. He is a Member of the American Society for Quality (ASQ) and is an ASQ Certified Quality Engineer and Manager. He is also the International Register of Certified Auditor (IRCA) from the United Kingdom. Mr Kuang has extensive experience in Quality discipline, serving as QC/QA, TQM and training positions in the electronic components, semiconductors, computer peripherals and tyre manufacturing industries. His major accomplishment includes introducing the Total Quality Culture and Function and in setting up and implementing the ISO9000/QS9000 Quality Management System in the organizations. He has often been invited to conduct training for various manufacturing industries such as steel and metal; motor and motorcycle; foods; furniture; oil processing; and rubber and plastic products. He is also an invited judge and speaker for government bodies such as Tenaga Nasional Berhad, Income Tax Department and Town Council and for the private sector such as the Lion Group and the Hong Leong Group. He is presently the course leader for FMM's Certified Quality Engineer and Manager programme conducted for FMM Institute.

2) Mr. Then Kui Min (TTT/0519), is a graduate from University Malaya with BSc (Hons) Physics. He is a Member of the American Society for Quality (ASQ) and has succeeded in gaining numbers of certification from ASQ such as Certified Quality Auditor (CQA), Certified Quality Engineer (CQE), Certified Manager of Quality/Organizational Excellence (CMQ/OE) as well as Certified Six Sigma Black Belt (CSSBB). Furthermore, he is a Certified Quality Manager with Distinction from FMM Institute. He has also completed and passed the International Register of Certificated Auditor (IRCA) "ISO9000:2000 Series Lead Auditor" course. With more than 12 years of working experience, specializing in Quality Management discipline, he has served as a Senior Manager of QC/QA, Quality System, 6 Sigma, QIT, QCC and Quality Training. With extensive hands-on experiences and skills of managing, organizing, planning, problem solving in quality improvement activities, he is responsible for initiating, deploying, overseeing, mentoring, coaching and facilitating various kinds of quality improvement initiative.

3) Ms. Flora Anthonymsamy (PSMB/22/1/12/Klt77), holds a Bachelor of Science majoring in Chemistry from the National University of Malaysia and since then has been actively involved in the quality field. She started her working career in SIRIM working her way as a product certification scheme auditor conducting surveillance audits for chemical based companies to comply with Malaysian standards, to conducting training for SMI industries in Perak on ISO 9000 standards. Flora joined the private sector and worked as a group quality assurance manager in a glove manufacturing company, which has four facilities in Malaysia, and was responsible to implement the ISO 9002 certification for all the plants. As its group TQM Manager, Flora took the company further to implement TQM system in six of the facilities including two in Sri Lanka. Three and a half years back, Flora joined a consulting firm as its general manager and heads the Quality Consulting Division. Her expertise is in the quality management systems of ISO 9000 and ISO 14000, and OHSAS 18000. She has gained considerable experience in consulting and implemented TQM and Integrated Management Systems in multinational to small-scale industry environment.
