Trainer

Mr Sethuraman Ramasamy is both a practitioner and an educator in the logistics and supply chain field. He provides consultancy on logistics competency and performance measurement to various customers in Malaysia. In addition, he is also a freelance/part-time lecturer which provides courses in certificate, diploma, degree in logistics and supply chain management. He has more than 15 years of experience in the logistics area, gained through his work stint in manufacturing, logistics service providers, setting up new manufacturing plants, six sigma champion projects, implementation of supply chain management, setting up 3PL logistics management and liaison with Malaysian Customs, MIDA and MITI. He has also assisted clients to improve their supply chain management and develop the integrated logistics systems, stock level reduction, improve the purchasing and inventory management performance and enhance customer service standards. He has given lectures and was a speaker on logistics management, warehousing, purchasing, distribution, customer service and strategic planning at seminars held in Kuala Lumpur, Johor Bahru, Kuantan, and Penang. In addition he has conducted in-house training programmes related to logistics and supply chain management. He holds a MBA in Logistics Management from University Industry Selangor (UNISEL) and degree in Bachelor of Social Science from Universiti Sains Malaysia (USM). Currently he is pursuing PhD in Supply Chain Management.
