Convention Center  
(QNSCC), Bangkok

5th - 7th  
October 2022

## ABOUT FI ASIA

Fi Asia is the leading meeting place for Southeast Asia's food and beverage industry. Even as we evolve with changing times, connecting the industry is at the heart of what we do. Through new technology and a mix of online and in-person events, we aim to create more and deeper networking opportunities and a platform for innovation & knowledge sharing.

The last edition of Fi Asia is expected to gather over 750 exhibitors and 20,000 visitors from around the world to do business, make connections, and review the latest product innovations across our dedicated health ingredients, natural ingredients and beverage ingredients pavilions.

In 2020 and 2021, the event was successfully held online, but we are excited to be back in Bangkok from 05 - 07 October 2022. Giving buyers and suppliers active in the ASEAN region the chance to once again connect face to face, do business, and learn about the every changing ASEAN market.
