Handholding programme towards IPO

**Grab the opportunity to be selected among the
50 companies for the handholding programme**

Introducing the "PROGRAM SCORE 5 BINTANG @FMM", a pioneering effort by the Federation of Malaysian Manufacturers (FMM) and SME Corporation Malaysia (SME Corp) to help SMEs navigate the process of listing on Bursa Malaysia. Designed to motivate Micro, Small, and Medium Enterprises (MSMEs) to take the leap into listing on Bursa Malaysia. This initiative also strives to help companies increase capital and visibility in both domestic and international markets. Whereas those who have yet to undergo the SME Competitiveness Rating for Enhancement (SCORE) may also get the details and further facilitation from SME Corp.

Join us in propelling your company to new heights through this comprehensive and transformative programme.
