

FMM VIRTUAL PAVILION

Go Global for Sales Leads

18 NOV 2021 - 6 OCT 2022

FMM Virtual Pavilion is developed especially for member companies of Federation of Malaysian Manufacturers (FMM). It serves as an affordable and effective exhibition platform to market various companies' products or services.

In a challenging period of limited overseas travelling, a virtual exhibition booth helps to connect your company with buyers from all over the world. It is also an ideal business development channel that allows engagement with your potential customers anywhere and anytime.

To enjoy one-year of business opportunities, sign up today!
