

# FMM Seminar on LEAN System Development Programme Applications & Sharing of Experiences

August 9, 2018 (Thursday) • 8.30am - 2.00pm • Hilton Petaling Jaya

A LEAN organisation means better quality and efficiency that lead to reductions in cost, lead time and work-in-progress.

This seminar is designed for companies interested in the implementation of LEAN manufacturing techniques to:

- ▶ Learn about the LEAN System Development Programme
- ▶ Understand the role of LEAN in Industry 4.0
- ▶ Gain from the experiences of practitioners and companies that have adopted LEAN on challenges and benefits in implementing the system

## WHO SHOULD ATTEND:

- ▶ CEOs, General Managers and Directors
- ▶ Factory / Production Managers, QA Managers and Engineers.

## Feedback from Past Participating Companies on FMM-MPC LEAN System Development Programme

### **Agricultural Chemicals (M) Sdn Bhd**

Significant improvements in productivity, output and elimination of wastage in production line which resulted in savings for the company

### **Filtermation (Mfg) Sdn Bhd**

Change in layout of factory resulted in less movement of workers, better utilisation of floor space and quality improvements due to early recognition of defects

### **Penfabric Sdn Berhad**

Centralisation of process flow reduced cycle time by 43% while productivity and manpower efficiency increased by 17% through line balancing

### **Power Plug Busduct Sdn Bhd**

50% improvement in standardisation of process sequences and work area through Standardized Work Chart (SWC) and Standard Work Combination Table (SWCT)
