FMM BUSINESS BEST PRACTICES WEBINAR

Working towards

- August 23, 2022
Tuesday
- 9.00am – 1.00pm
- Zoom

Employee engagement remains an ongoing matter of concerns for years as organisations look for ways to bridge and meet the needs of the hybrid workforce. With so many things competing for employees' attention, organisations must listen, adapt, and act creatively to keep their people engaged.

This Webinar is designed for HR Managers and Executives with responsibilities to address concerns related to employee engagement. Participants will obtain the following benefits:

- Gain ideas from companies that have successfully implemented employee engagement initiatives;
- Learn how employee engagement can be influenced by talent acquisition as well as employees' mental health and wellness; and
- Discover Human Resources Management System (HRMS) apps that support employee engagement.

Naluri

Ms Hanani is a health psychologist with a Master degree in Health Psychology from the University of Stirling, Scotland. She completed her Bachelor's degree at the International Islamic University Malaysia. Currently, Hanani is working as a health coach with Naluri Hidup to support individuals in leading healthier lifestyles through lifestyle modification and self-empowerment.

She has previously worked as a research volunteer at Wellbeing Scotland, a non-profit organisation to help families and communities coping with negative life experiences. Prior to this, she was a Research Assistant for a research project aiming to improve the quality of the elderly homes and drug rehabilitation centres in Malaysia.

Hanani's areas of interest are health promotion, health education and awareness.

Ms Kathryn Lee
Head of Digi-X
Digi Telecommunications

After graduating from the University of Birmingham with a Master of Engineering (MEng), Mechanical Engineering, Kathryn spent the early part of her career in the Financial Services industry at Accenture.

In 2014, she joined Digi Telecommunications' Corporate Affairs team, before transitioning into the then newly-formed department, Digi-X in 2016. Over the ensuing 4 years, Kathryn held positions as Product Lead, Head of Section, and Head of Product at Digi's venture builder arm — leading efforts to build and develop digital services such as vcash, Omni Hotline, iFleet, and more.

In October 2020, Kathryn was appointed Head of Digi-X — a position which she holds till today.
