

Why Exhibit at the Muslim World Women's Exhibition 2024?

The main goal of the Summit is to uplift the status of the Islamic countries by enhancing each of its components through cooperation between all stakeholders. The exhibition held in conjunction with the Summit is expected to attract 15,000 trade buyers and visitors to visit 300 exhibitors booths from 30 participating countries from the Muslim world. This is a general trade fair with a wide range of product and services offered including food & beverage, pharmaceuticals, cosmetics, higher education, e-commerce and logistics, healthcare and banking and finance among others.

The Muslim World Women's Exhibition 2024 is a best channel for business matching prospect, business partnership, investment opportunities, media exposure and maximize brand or product awareness.
