FEDERATION OF MALAYSIAN MANUFACTURERS (7907-X)
Contents

FMM in Brief  2 – 5
FMM Industry Groups on Chemicals  6 – 15
Advertisers  16 – 23
Products & Services  24 – 36

A  Basic, Industrial Chemicals & Nitrogen Compound
B  Agricultural Chemicals
C  Plastics in Primary Forms and of Synthetic Rubber
D  Paints, Paint Products, Printing Ink & Mastics
E  Pharmaceuticals, Medicinal Chemicals & Botanical Products
F  Soap, Detergent, Cosmetics & Toiletry Preparations
G  Mineral Fuel & Mineral Oil
H  Engineering & Construction
I  Trading & Services
J  Oleochemicals
K  Petrochemicals
L  Other Chemicals Products Not Elsewhere Classified

Company Listings  37 – 68

Making Malaysian Industries Globally Competitive

Federation of Malaysian Manufacturers (1907–x)

www.fmm.org.my
Since July 2, 1968, FMM has been working alongside the Malaysian manufacturing sector as its representative voice.

Committed to quality and service excellence, FMM is an ISO9001:2008 certified company limited by guarantee. FMM operates as a business organisation! Promoting and supporting manufacturing sector’s interests is FMM’s business!

Led by captains of industry at Council, State Branches, issues-oriented Working Committees and Industry Groups, FMM represents the manufacturing sector at international, regional, national, state, local authorities and industry sub-sector levels!

FMM offers a wide range of services and activities to facilitate business operations. We are an important focal point for those seeking links with Malaysian manufacturers for investment, trade and services.

Join FMM for …

International Contacts

❖ 800 business enquiries a year
❖ Average 100,000 visits a month to Members’ Listing on FMM Net – 30% are foreign visitors
❖ Trade missions and 20 international trade fairs annually
❖ Represented and/or managing business councils

Domestic Market Outreach

❖ Business Opportunities Networking for SMEs
❖ Manufacturers-retail chain forum
❖ Business and export focus groups
❖ Manufacturers-service providers platform

Facilitating Trade

❖ Authorised body to issue and endorse Certificates of Origin since 1968
❖ Sole distributor of ATIGA Form D, ACFTA Form E, GSP Form A, MJEPA, AKFTA, AJCEP, MPCEPA, AIFTA, MNZFTA, AANZFTA, MCFTA, MICECA
❖ National body to issue item numbering for barcoding of products

Training and Education

❖ 18,000 trained annually through FMM Institute
❖ Short courses claimable under HRDF are offered through Public and In-house training programmes
❖ Competency-based Certification courses conducted on weekends
❖ Approved training provider to conduct Skills Upgrading Programmes for SMEs so as to enjoy the SMEs Skills Upgrading Grant

Continuous Information Updates

❖ Circulars on government policies, customs, trade, industry developments
❖ 240 seminars organised a year nationwide on topical industry issues
❖ FMM Net – exclusive on-line access to Members’ Lounge
❖ Newsletters – industry and government activities, international developments

- Represented on 210 Government Boards and Committees
  - federal and state; sector specific and issues oriented
- Professional secretariat services nationwide
  - network of HQ and 10 Branches/Representative Offices
- Business leaders network
  - FMM Council, Branch Committees, Working Committees, Industry Group Executive Committees & Working Groups

Direct Membership Benefits
- Savings
  - 20% to 50% discounts off activities, programmes and publications
  - Free listing annually and special rate for advertising in FMM Directory
- Recognition
  - FMM members are established worldwide as genuine and reliable businessmen
- Linkages and alliances
  - government, domestic and international business

GS1 Malaysia
Provides access to the following global standards which facilitate electronic commerce and efficient supply chain management in all industry sectors:
- GS1 standards for item numbering (Global Trade Item Number – GTIN, Global Location Number – GLN), bar coding and electronic trading messages.
- EPCglobal standards for Electronic Product Code numbering, RFID (radio frequency identification) and EPC network for tracking and tracing.

* GS1 Malaysia operates under the aegis of FMM to manage and develop the GS1 and EPCglobal standards in Malaysia.
CHEMICAL INDUSTRIES COUNCIL OF MALAYSIA (CICM)

Chemical Industries Council of Malaysia (CICM) was established in 1978 as an industry group under the aegis of the Federation of Malaysian Manufacturers. The primary objective of the CICM then was to organise the chemical industry in Malaysia into a cohesive group to represent Malaysia’s interest in the ASEAN Chemical Industries Council (ACIC).

As the industry grew, CICM’s interest and activities also expanded and it was felt necessary for CICM to be established as a separate legal entity. Therefore on March 23, 1982, CICM was incorporated as a company limited by guarantee. In year 2001, CICM achieved another milestone by gathering Chairmen of the sub-sector chemical groups (from oleochemicals, paints, fertilizers, petrochemical, agricultural chemicals, coating resins and industrial gases industries) to participate in the CICM Executive Committee as Honorary Members, with the view to establish a stronger and better representation of the Malaysian chemical and chemical related industry. CICM has the following objectives:

- To promote co-operation among manufacturers of chemicals in Malaysia
- To promote the development and interest of the chemical industry in Malaysia and internationally by formulating recommendations on investment and export incentives, regulatory, fiscal and monetary policies and other measures
- To serve as a channel of communication between the chemical industry and the Government on matters of concern and interest to the industry
- To promote safety, health and environmental (SHE) excellence and sustainable development of the chemical industry

For more information, kindly log on to www.cicm.org.my or contact:

CICM MALAYSIAN OLEOCHEMICAL MANUFACTURERS GROUP (CICM MOMG)

Malaysian Oleochemical Manufacturers Group (MOMG) was established in January 1984 to represent the interest of the oleochemical producers in Malaysia. It consists of 10 members; all located in Peninsular Malaysia and involved in the production of basic oleochemicals namely fatty acids, methyl esters, fatty alcohols and glycerine. The industry comprises manufacturers made up of both local and several joint-venture companies with multinationals.

The Group works closely with the Government, the academia and other relevant organisations to address the needs, as well as to enhance the interests of the oleochemical industry. It is affiliated to the ASEAN Oleochemical Manufacturers Group (AOMG), which represents the oleochemical industry players in ASEAN. MOMG is also a product group of the Chemical Industries Council of Malaysia (CICM) and its members are committed to conduct its business in a socially responsible manner, through Responsible Care, a global initiative representing the chemical industry’s commitment to continuous improvement of all aspects of safety, health and environment protection of their operations.

The Association’s objectives include:

- To promote the interests of the Malaysian oleochemical industry by fostering communication within and outside the industry.
- To liaise and co-operate with the Government of Malaysia on legislation, trade and other matters related to the production, sales and distribution of oleochemicals.
- To represent the Malaysian oleochemical industry on issues affecting the well-being of the industry.
- To collect, publish and disseminate information relating to the industry and trade as a service to its members.

For more information, please contact:

CICM MALAYSIAN COATING RESINS AND COMPOSITE GROUP (CICM MCRCG)

Malaysian Coating Resins and Composite Group (MCRCG) consist of four members, all located in Peninsular Malaysia, who are involved in the manufacturing of coating and composite resins in Malaysia. They are also a product group of the Chemical Industries Council of Malaysia (CICM). Its objectives are the following:

- To promote co-operation and co-ordination amongst coating and composite resins manufacturers in Malaysia;
- To represent the interest of the Malaysian coating and composite resins industry in Malaysia and as a forum to promote discussion and exchange of views on issues of common concern to the industry and also ASEAN issues (including regional grouping, market expansion, trade related matters etc.);
- To liaise and to forward the Group’s views to the government and other regulatory bodies on matters affecting the industry and to initiate the most conducive environment for the overall operation of the coating and composite resins industry in Malaysia;
- To co-operate and pursue dialogue with any other Society or Association having objectives altogether or in part similar to the MCRCG and to procure from and to communicate to any such information as may be likely to forward the objectives of the coating and composite resins manufacturers in Malaysia;
- To accord industry’s practices to responsible management of industrial health, safety and environment according to the Responsible Care Programme’s Guiding Principles and Six Codes of Management Practices;
- To disseminate correct information and to project a positive image of the sector as a safe industry managed by responsible stakeholders; and
- To compile and share industry statistics amongst members of the Group and also with the relevant Government Ministries/agencies.

FERTILIZER INDUSTRY ASSOCIATION OF MALAYSIA (FIAM)

Fertilizer Industry Association of Malaysia (FIAM) was founded on August 13, 1987. The founding members were Peladang Kimia Bhd, CCM Fertilizers Sdn Bhd, FPM Sdn Bhd, Pengedar Bahan Pertanian Sdn Bhd and Behn Meyer & Co (M) Sdn Bhd. At present, the membership consists 19 members. As agriculture will continue to be an important sector of the Malaysian economy, and with Malaysia dependent on imports for all its fertilizer needs except urea, FIAM has been established with the following objectives:

- To promote, foster and advance, in a manner consistent with the public interest, the progress and development of the fertilizer industry which imports, manufactures, produces, processes and/or distributes fertilizers.
- To cooperate with and offer advice to Federal, State and other Authorities in matters pertaining to the fertilizer industry and provide a consensus view to Government bodies in Association matters.
- To inform members of the Association about Federal, State and other legislation, whether existing or proposed, and reports of Government or scientific committees which affect the fertilizer industry.
- To promote the correct and efficient handling and use of fertilizers.
- To establish liaison with similar organisations and agriculture associations in Malaysia and overseas which the Association has a common interest with.
- To encourage and support scientific research into all aspects of the fertilizer industry and inform members of commercial or technical developments locally or abroad which are of importance to the industry.
- To foster the development and use of fertilizer products.
- To conduct industry meetings and conventions.
- With prior approval of the relevant authorities, to acquire, prepare, edit, print, publish or issue and circulate books, papers, periodicals and/or circulars on the fertilizer industry or matters of interest to the Association.

FMM MALAYSIAN COSMETICS AND TOILETRIES INDUSTRY GROUP (FMM MCTIG)

Malaysian Cosmetics and Toiletries Industry Group (MCTIG), operating under the aegis of the Federation of Malaysian Manufacturers (FMM), was established in 1989 to articulate the interest of the industry. Serving as a channel for feedback from the industry to the government and vice-versa, the Group had been making appropriate recommendations to the government on policies and issues which affect the industry as a whole.

The main objectives of FMM MCTIG are as follows:

• To promote co-operation among the industry in Malaysia.

• To promote the development of the cosmetic industry in Malaysia by formulating appropriate recommendations on industrial, economic and fiscal policies, incentives, market protections and other measures.

• To serve as a channel of communication between the cosmetic and toiletries industry and the Government on matters of particular concern and interest to the industry.

• To collect and disseminate statistical data and other information pertaining to the industry so as to promote the welfare of the industry.

• To promote the interest of the industry in the ASEAN context, through active participation in the activities of the ASEAN Cosmetic Association as well as in the industrialised and developing countries.

FMM MALAYSIAN INDUSTRIAL GASES MANUFACTURERS GROUP (FMM MIGMA)

FMM Malaysian Industrial Gases Manufacturers Group (FMM MIGMA) is an industry group under the aegis of the Federation of Malaysian Manufacturers (FMM).

Currently, FMM MIGMA has 13 members who are manufacturers of industrial gases and most of them are affiliated to global gas manufacturers. Members of FMM MIGMA manufacture industrial gases such as oxygen, nitrogen, acetylene and carbon dioxide, medical gases and specialty gases. Since its inception in 1999, FMM MIGMA has been promoting co-operation amongst Malaysian industrial gases manufacturers and to serve as channel of communication between the industrial gases industry and the Government on matters of particular concern and interest to the industry.

The Association’s objectives include the following:

• To consult on areas of common interest and promote co-operation amongst the industrial gases manufactures in Malaysia.

• To establish standards of operation and production and related facilities in all areas, thereby increasing all aspects of health, safety and environmental controls associated with the industry, customers and the general public.

• To seek to establish a common industry position on existing or proposed legislation affecting the industry.

• To further the interests of members by establishing and maintaining an effective liaison with:
  – Government and Government agencies
  – Non-government organisations and other interested representative bodies within Malaysia; and
  – ASEAN Chamber of Commerce and Industry (ASEAN-CCI), and other relevant organisations outside Malaysia

MALAYSIAN BIODIESEL ASSOCIATION (MBA)

Malaysian Biodiesel Association (MBA) was established on September 2, 2008, to represent the interest of the biodiesel industry in Malaysia. Its membership consists of 22 biodiesel companies, located in Peninsular Malaysia, Sabah and Sarawak.

Over the years, the Association has actively engaged and worked with the Malaysian Government and its agencies, i.e. the Ministry of Plantation Industries and Commodities (MPIC), Malaysian Palm Oil Board (MPOB) and the Malaysian Palm Oil Council (MPOC) on the mandatory biodiesel blending programme and also issues pertaining to market access and regulatory requirements in export markets.

The Association is also affiliated to the Roundtable of Sustainable Palm Oil (RSPO) and Roundtable of Sustainable Biomaterials (RSB). The Association’s missions are:

- Working towards developing a strong liaison with the Malaysian Government and/or its agencies.
- Working towards enhancing partnership within the biodiesel industry and manufacturers, and co-operation with relevant regulatory bodies, policy makers and biodiesel related organizations.
- Prime body to optimize and improve the competitiveness of biodiesel in the global energy markets by applying new technologies, know-how and best practices.
- Assist to develop and coordinate marketing campaigns to encourage the use of biodiesel globally and in particular in Malaysia.
- Continue to promote palm biodiesel globally and in particular in Malaysia.
- Actively, directly and through its Members, promote the technical and operating performance of biodiesel to satisfy global standards, safety and reliability.
- Facilitate the production and use of biodiesel from sustainable sources.

Malaysian Petrochemicals Association (MPA) is a formal association registered with the Registrar of Societies in Malaysia. At present, members of MPA include companies engaged in the manufacture and trading of petrochemicals and plastic resins, as well as companies providing services required by the petrochemical industry.

The MPA was officially formed on March 19, 1997 with the following objectives:

- To provide a forum to discuss and resolve common problems of the petrochemical industry
- To provide a focal point for the petrochemical industry to liaison with the public and government and to make recommendations on relevant issues
- To advance the philosophy of Responsible Care, its implementation and compliance throughout the industry
- To represent the petrochemical industry within Malaysia to interface with similar groups on international basis
- To compile and disseminate information of common concerns and provide facilities for consultation and exchange of views between members.

MALAYSIAN CROPLIFE & PUBLIC HEALTH ASSOCIATION (MCPA)

Malaysian CropLife & Public Health Association (MCPA) is the national organisation representing the plant science and public health industries of Malaysia. MCPA is an affiliate of CropLife Asia which itself is one of the 6 regional nodes of CropLife International. CropLife International supports a network of regional and national associations in 91 countries.

MCPA is an advocate for Integrated Pest Management (IPM) and Integrated Vector Management (IVM). We strongly support the guidelines on the responsible use of pesticides as espoused in the International Code of Conduct on Pesticides Management.

MCPA promotes the benefits of crop protection, biotechnology and public health products, their importance to sustainable agriculture and food production, their contributions in safeguarding human health against vector-borne diseases and their responsible use through stewardship activities.

MALAYSIAN PAINT MANUFACTURERS’ ASSOCIATION (MPMA)

Established in 1966, the Malaysian Paint Manufacturers’ Association (MPMA) is an association for paints and paints related industries in Malaysia.

MPMA currently has 32 members with 13 paint manufacturers and 19 associate members who are suppliers of raw materials and services to the Coatings industry. The paint manufacturers under MPMA membership constitute more than 80% of the decorative paints manufactured in Malaysia. MPMA is also a subsector of the Chemical Industries Council of Malaysia and together supports the initiatives of the Chemical industry.

The Association’s objectives are as follows:

- To promote and protect the interests of the manufacturers of paints in Malaysia. The expression paints shall include all paints, varnishes, enamels, lacquers, distempers and their allied products.

- To promote and support legislation for the improvement of the standing of manufacturers of paints in Malaysia.

- To promote the collection and circulation of statistics and other information relating to the paints industry and the publication of other literary undertakings as may seem appropriate.

- To subscribe to or become a member of or cooperate with any public body or institution or association where it is considered such subscription membership or cooperation is conducive to the objects for which the Association is established.

- To make joint recommendation to Government, Public Authorities, other Associations or individuals on behalf of the association.

- To commit to the best practices in the areas of health, safety and environmental issues for the paint industry.

PRODUCTION CAPACITY
- Malaysia agrochemicals manufacturing site with automated production facility
- Standardized product GC with advance laboratory equipment and specialized personnel
- Located in West Port, Malaysia with area 7.1acre
- Production capability for intermediate technical materials: GLYPHOSATE IPA 82%
  PARAQUAT DICLORE DE 42%
- Production capacity for formulated products: SL, SC, ED
- Annual production capacity: 29,000MT

- Malaysia fertilizer manufacturing site
- Located near Penang, Malaysia with area 8.6acre
- Production capability for organic, inorganic, liquid fertilizer
- Annual production capacity: 20,000MT

- China agrochemicals manufacturing site
- Acquired in 2007, originally set up in 1954
- Located in Zhenjiang, China with area 17.3acre
- Production capability for technical material TRIFLURALIN 95%
- Production capacity for formulated products: WP, WDG, GR, SL, SC
- Annual production capacity: 25,000MT
As part of Brenntag, the global market leader in chemical distribution, we distribute chemicals and ingredients in Malaysia, offering an extensive, high quality product and service portfolio. Connecting customers and suppliers, Brenntag provides tailor-made distribution solutions for industrial and specialty chemicals. This includes warehousing & logistical solutions, technical application support, product formulation, repacking, and more.

Our industry focus includes Agro, Cleaning, Coatings, Animal Nutrition, Food & Beverage, Personal Care, Pharma, Plastics & Polymer, Rubber, Metals Oil & Gas and Water Treatment. With an industry and customer-focused approach, Brenntag is committed to building winning partnerships and helping our business partners succeed – today and in the future.

Delivering reliability, integrity and safety is a commitment that we take seriously in our day-to-day operations. We operate our business in compliance with local and international QSHE regulations and standards in all aspects along the value chain. This commitment is underlined by our ISO 9001:2008, ISO 14001:2004 and OHSAS 18001:2007 accreditations, participation in Responsible Care and implementation of Product Stewardship guidelines.
Chempro Technology (M) Sdn Bhd was incorporated in Malaysia in 1986 by a group of Asian entrepreneurs with a common vision - to establish the first Asian multinational conglomerate in manufacturing and marketing of specialty chemicals. Chempro represents the best in modern process technology. We have highly experienced specialists in each division. This pool of expertise is further backed up by an extensive R&D programme to ensure our technology keeps abreast with the on-going changes in market requirements not only in Asia, but throughout the world.

PRODUCT DIVISIONS

INSTITUTIONAL

FOOD & BEVERAGES
Adding shine and sparkle to your culinary performance.

HOUSEKEEPING
Chempro delivers cleaning solutions to keep your guests coming back again and again. Sparkle to your culinary performance.

LAUNDRY
We deal with the dirty stuff, you deal with the clean ones.

INDUSTRIAL

RUBBER INDUSTRIES
Specialized solutions that fit your gloves.

METAL
You can count on us with the right chemicals to improve cleaning efficiency, raise standards and minimize risk.

FOOD

Talking about “safety” and “hygiene” with increased operational efficiency and brand image.

CHEMPRO TECHNOLOGY (M) SDN BHD

Making Malaysian Industries Globally Competitive

Established since 1968, Federation of Malaysian Manufacturers (FMM) is a leading private sector organisation representing the interests of over 2,600 leading industrial establishments in Malaysia. FMM provides trade, business and management support services to facilitate business operations of its members. We are an important focal point for companies seeking links with Malaysian manufacturers and service providers for investment, trade and services.

Contact FMM for…
- International contacts
- Domestic market outreach
- Facilitating trade
- Government contact and advisory
- Direct membership benefits
- Training
- Continuous information updates
