FMM CERTIFIED QUALITY MANAGER *Remote Online Training*

Quality management has emerged as a recognised profession in the most successful companies and organisations. Quality Managers are regularly contributing to strategic discussions and influencing company directions.

The FMM Certified Quality Manager (CQM) emphasises the broadest spectrum of *business structure* for the management and leadership of quality principles at strategic and tactical levels. The CQM represent peer and professional recognition, enhances credibility with current employers, and opens up future career opportunities.

COURSE OBJECTIVES

At the end of the programme, participants will be able to:

- Understand and have a working knowledge of quality standards and concepts
- Implement organisational assessments and related functions
- Assess quality needs in relation to overall strategic plans
- Implement quality programmes to attain and maintain customer satisfaction and focus
- Manage projects that support overall strategic goals and continuous improvement, and identify and implement closed-loop corrective and preventive actions
- Manage and motivate human resources in the support of organisational goals through employee empowerment and by providing appropriate training and education at all levels in the organisation
- Provide leadership to ensure compliance with quality goals throughout the organisation

WHO SHOULD ATTEND

This programme is meant for Executives, Engineers and Managers who have a few years working experience in quality related field, and hold decision-making roles in their organisations.
