Remote Online Learning

Limited to 25 participants

Total Chemical Safety Management

Date: April 8-9, 2021

Time: 9:00am – 5:00pm

FACILITATOR

Izil Kamal bin Abdul Jalil holds a Master in Occupational Safety & Health-Risk Management, MBA , B Eng (Hons.) in Chemical Engineering , Diploma in Industrial Chemistry and Certificate in Electrical Process Instrumentation . He has been a Safety and Health practitioner for more than 25 years. He had also attended numerous Train-the-Trainer program from NIOSH & HRDC (PSMB Train-the-trainer) and various risk, safety, technical and management skill trainings. He is also an Integrated Management System (ISO 9001, ISO 14001 & ISO 45001) lead assessor and an associate member of IChemE (an organization of chemical engineers based in UK) formerly a tutor in Bachelor in OSH Management in a local university

He initially pursued his industrial careers with a tyre- making industry as QA Engineer, then pursued a career in electronics storage memory devices and Integrated circuit industries as Facilities & EHS-senior department position. His previous industrial responsibilities includes handling total Quality and EHS management, Emergency Response Team, general plant maintenance, plants utilities (electricity, RODI, HVAC, air-conditioning, air compressors, scheduled wastes management, etc.), X-ray Radiation protection officer, Chemical Health Risk Assessor, general housekeeping, operations of plant's pollution control equipment (waste water treatment & sewage plants, scrubber/chimney discharges, etc.)

Mr Izil Kamal has conducted numerous Public and In- house courses on areas of Management, Softskills, 5S, Environment, Health and Safety in Penang and other states in Malaysia since 2000. His area of training expertise includes Total chemical safety management, Waste management, HIRARC, Emergency Response Planning, Electrical safety. He has also conducted training modules on Certificate in Safety & Health Officer courses, audits/inspections and presented papers at seminars organized by government agencies and higher learning institutions. He is currently a trainer in DOSH-certified trainer in Certificate in Safety & Health Officer Course and OSH Coordinator course.

This program accepts 25 participants only on a first come, first served basis.

Target Audience: Safety officer, Safety and Health Committee Members, Canteen Supervisors, Housekeeping Supervisor, Chemist, Supervisor, Engineer, Lab Assistant

Overview	Chemical users/handlers are highly prone to chemical hazardous exposures. They have a 'Right-To-Know' of their exposure to all the chemicals and scheduled wastes involved, as per stated by Occupational Safety Health Act 1994, Environmental Quality Act 1974 and their regulations.
Objective	<ul style="list-style-type: none"> Have a better knowledge on the existing regulations on Chemical Usage and Exposure, Scheduled Waste, Chemical Spill Response. Be able to segregate chemical properly during storage and usage Be able to properly apply the PPE and Engineering control involved Be able to interpret Safety Data Sheet (SDS) Have better understandings on the existing/future improved Chemical handling requirements , proper personal protective equipment, functions and procedures on chemical spills/release
Methodology	<ul style="list-style-type: none"> The slide presentation will be made by the facilitator supported by video streaming Interactive learning using Zoom platform Pre- course and post- course assignments
Course Contents	<ul style="list-style-type: none"> Safety as Preventive Culture The Importance of Chemical-Related Employees to Attend Chemical Safety Management Hazardous Chemicals at Workplace OSH (USECHH Regulation 2000) OSH (CLASS) Regulations 2013 Basic Chemical Safety & Minimum Requirement of Chemical Management Understanding Safety Data Sheet (SDS) Chemical Safe Storage Use, Handling and Disposal Procedure for Chemical Spill Response Schedule Waste Regulation 2015

Dear Madam,

Please register the following participant(s) for the above programme:

(To be completed in **BLOCK LETTERS**)

Please tick (✓) accordingly:

PSMB Scheme: SBL Non Contributor

Fees: FMM member RM954.00 / pax
(Inclusive of 6% Service Tax)

Non Member RM1113.00 / pax
(Inclusive of 6% Service Tax)

Nationality	IC No.
--------------------	---------------

2. Name	Designation	E-mail
----------------	--------------------	---------------

Nationality	IC No.
--------------------	---------------

(if space is insufficient, please attach a separate list)

Enclosed cheque/bank draft No. _____ for RM _____

Being payment for _____ participant(s) made in favour of the "FMM Institute".

Technical Information

- After the program confirmed, participants will be **receiving the email containing a joining link of the on-line learning program.**
- Participant may join the presentation session **15 minutes before the starting time.**
- FMM Institute will **record the on-line learning** for future reference.
- **Please ensure each participant has access to a laptop or computer with working webcam and microphone or handphone with camera as well as a strong internet connection.**
