**Minutes of Meeting:**

1. The meeting commenced with a safety briefing by the OSH Coordinator, En. Muhammad Asrul, followed by the Secretariat's introduction of the office bearers seated at the head table, as well as the Branch Committee Chairman and Vice Chairmen for the 2023/2024 and 2024/2025 terms. The Secretariat also welcomed Ms. Shamini Sakthinathan, Deputy Chief Executive Officer of the Federation of Malaysian Manufacturing (FMM). Before the meeting began, the emcee reported 38 attendees; however, the actual total number of FMM members who signed up was 41.

**2. Chairman's Address**

Dr. Helena Eian Yuet Lan, Chairman of FMM Selangor & Kuala Lumpur, highlighted that the past year was marked by strong engagement and purposeful initiatives to support the manufacturing sector amidst economic challenges. The Branch continued to play an active role in representing members' interests, fostering collaboration with government agencies, and strengthening the industrial ecosystem.

Dr. Helena Eian also expressed her special appreciation to Y.A.B. Dato' Seri Amirudin Bin Shari, Dato' Menteri Besar Selangor, for the RM200,000.00 Selangor State Government Grant Programme. She reported that the Branch had implemented three impactful programmes in collaboration with several universities and TVET institutions:

- Certificate Training held in July 2025
- ASEAN Manufacturing Youth Conference (AMYC) 2025, in August 2025
- Business & Entrepreneurship Conference 2025, held on September 25, 2025

She further presented the key initiatives and activities undertaken by the Branch during the financial year from July 2024 to June 2025, as outlined below:

- a) Participate in Selangor International Business Summit (SIBS) 2025
- b) FMM President's Golf Invitational 2025
- c) Seminar on Occupational Safety & Health 2025
- d) Meeting with Selangor Greater Klang Valley (SGKV)
- e) MoU Signing Ceremony with MSU
- f) Several Meetings with YB Ng Sze Han, Selangor State EXCO for Investment, Trade & Mobility:
  - Addressed natural gas disruption and mitigation support for affected industries.
  - Discussed rising operational costs and regulatory challenges, proposing solutions to ease business burdens.
- g) Engagements with other Selangor State Exco members to highlight key industry concerns with:
  - YB Dato' Ng Suee Lim – Exco for Local Councils & Tourism
  - YB Jamaliah binti Jamaluddin - Exco for Public Health & Environment
  - YB Dr Mohamad Fahmi – Exco for Islamic Affairs & Acculturation of Innovation
- h) Courtesy visits to strengthen relations with key government agencies including:
  - Director of DOSH Selangor (Department of Safety & Health)
  - Director of DOE Selangor (Department of Environment)
  - Director of MACC KL (Malaysian Anti-Corruption Commission)
  - The OCPD, Police District Petaling Jaya
  - EPF Petaling Jaya
  - New Mayor of Majlis Bandaraya Diraja Klang (MBDK)
- i) Seminars and networking events for members, including:
  - IOM–FMM Capacity Building Briefing
  - Townhall Pelabur-Pelabur Shah Alam Bersama Agensi-Agensi Kerajaan
  - Youth Mentorship in Motion
  - Youth Factory Visit to BJC Foods (Malaysia) Sdn Bhd,
  - FMM Selangor & Kuala Lumpur Bowling Challenge 2024
  - FMM Kuala Langat Bowling Challenge 2025

Dr Helena Eian reported that the Branch actively engaged the Selangor State Government and local councils on key industry concerns, including assessment rates by local councils, which resulted in the adjustment being contained within a maximum cap of 25%. She also outlined the Branch's contributions to the Selangor Greater Klang Valley (SGKV) initiative, collaboration with LUAS on industrial water management, and ongoing advocacy on issues such as gas supply disruption and unlicensed foreign operators.

Through town hall sessions and dialogues supported by Majlis Bandaraya Shah Alam (MBSA), the Branch successfully facilitated direct engagement between industry members and agencies such as BOMBA, OCPD, Customs, Immigration, Air Selangor, and DOE.

Dr Helena reported that as of June 30, 2025, the Branch recorded a total of 1,979 member companies, and by November 4, the number had increased to 2,028 demonstrating steady growth despite economic challenges. Beyond advocacy, she also shared with members about the Branch's Brainstorming Sessions, which aimed to identify key challenges faced by members and to strengthen engagement strategies. These sessions enabled the Branch to align its priorities with

the State Government, ensuring that FMM continues to play a constructive role in supporting policy formulation, industry development, and sustainability initiatives.

The Chairman expressed her appreciation to the Branch Committee, Sub-Committees, Regional Chairmen, Secretariat Team, and outgoing Committee Members for their support and contributions, and concluded by reaffirming the Branch's commitment to continued collaboration and the strengthening of the manufacturing community in Selangor and Kuala Lumpur.

**3. To Receive and Adopt the Report of the FMM Selangor & Kuala Lumpur Branch for the financial year ended June 30, 2025**

The meeting received and adopted the Report of the FMM Selangor & Kuala Lumpur Branch for the financial year ended June 30, 2025, as proposed by Tan Sri Dato' Prof Dr. James Alfred of Maltecorp (M) Sdn Bhd and seconded by Mr Vignesh Baboo of Chemoresources Sdn Bhd.

**4. To elect members of the FMM Selangor & Kuala Lumpur Branch Committee for 2025/2026 and 2026/2027**

The meeting was informed that the following seventeen (17) nominees, duly proposed and seconded, had been vetted by the FMM Selangor and Kuala Lumpur Election Committee on October 17, 2025, and confirmed eligible for election to fill the twenty-four (24) vacancies.

The following individuals were confirmed as FMM Selangor & Kuala Lumpur Branch Committee:

1	ABS Engineering & Trading Sdn Bhd	Ng Ming Yee
2	Accel Graphic System Sdn Bhd	Eian Yeut Lan
3	AF Manufacturing Services Sdn Bhd	Chong Song Haw
4	Best Cosmetics Laboratories Sdn Bhd	Woo Wee Kang
5	Bodibasixs Manufacturing Sdn Bhd	Lee Pang
6	BJC Foods (Malaysia) Sdn Bhd	Phillip Leong Wai Kok
7	Ken-Rich Corporation Sdn Bhd	Dato' Dr. Hooi Lai Lin
8	Maltecorp (M) Sdn Bhd	Tan Sri Prof Dato Dr James Alfred
9	Mascorn Sdn Bhd	Wong Chiew Ling
10	MGB Sany (M) Sdn Bhd	Yee Fei Wu
11	Performance Additives Sdn Bhd	Maggie Chung
12	Resonac Graphite Malaysia Sdn Bhd	Dr. Nedun Che Lian
13	Satake Technologies Sdn Bhd	Dato' Palaniappan Joseph
14	Taik Sin Timber Industry Sdn Bhd	Goh King Chun

15	Thumbprints Utd Sdn Bhd	Wong Soo Kan
16	Top Glove Sdn Bhd	Dato' Lee Kim Meow
17	Kawan Food Manufacturing Sdn Bhd	Yeap Chee Keong

The Secretariat reported that Mr. Andy Yeap Chee Keong of Kawan Food Manufacturing Sdn Bhd, had been elected as the Chairman of Klang Regional Committee during the 1<sup>st</sup> Klang Regional Committee Meeting on October 22, 2025. In accordance with the Branch By-Laws, the Regional Chairmen automatically become additional members of the Branch Committee. Therefore, Mr. Yeap's nomination was deemed void, and the election for the Branch Committee proceeded with sixteen (16) nominees instead of seventeen (17).

As the number of eligible nominees (16) did not exceed the number of vacancies available (24), a motion that no election was required was proposed by Mr. Stanley Siew Boon Keat of DKSM Sdn Bhd and seconded by Mr. Krishna Kamat of Irfaz Agventures Sdn Bhd, to approve that all nominees be elected as members of the FMM Selangor & Kuala Lumpur Branch Committee.

**5. To transact any other business of which notice has been given**

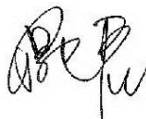

The Branch Manager, Ms. Wong Yuan Choon, reported that the secretariat had not received any written issues or other business for consideration.

**6. Other matters during Q&A session:**

- a) Dato' Palaniappan, Vice Chairman briefed members on the new Talent Development Initiative introduced by TalentCorp, which focuses on upskilling and reskilling employees, enhancing graduate employability, promoting industry-academia collaboration, and strengthening industry linkages through the TVET placement platform. The platform serves as a common hub for students from universities and TVET institutions to submit applications detailing their skills and interests for internships, work-based mentoring, and future employment opportunities. He informed members that TalentCorp will be holding a soft launch on November 10, 2025, at the Royale Chulan Hotel, and encouraged companies to participate, noting that eligible organisations may benefit from double tax deduction.
- b) Dr. Helena Eian, in response to Dato' Palaniappan's briefing, highlighted that the Government-Industry TVET Coordination Body (GITC), chaired by the FMM President, provides a valuable platform for members to engage with. She noted a study showing that Cambodia and Laos are advancing rapidly due to their young workforce, emphasising the urgency for Malaysia to accelerate digitalisation efforts. Dr. Helena also reminded members to respond promptly to FMM surveys, and she urged members to report issues promptly rather than waiting until problems escalate.

**7. Adjournment**

There was no other business of which notice had been given; the Annual General meeting was adjourned at 11:50 am.

39<sup>th</sup> Annual General Meeting

November 4, 2025 (Tuesday) | 11 am | FMM Selangor & Kuala Lumpur Branch |  
Address by Dr Helena Eian Yeut Lan, Chairman of FMM Selangor and Kuala Lumpur

---

- 1) Good morning. It is my great honour to welcome all of you to our 39<sup>th</sup> Annual General Meeting of the FMM Selangor & Kuala Lumpur. I'm Dr Helena Eian, Chairman of FMM Selangor & Kuala Lumpur Branch. I wish to thank you for your participation in today's FMM Selangor & Kuala Lumpur Annual General Meeting (AGM). Your presence signifies your commitment to the growth and prosperity of our industry, and I deeply appreciate your continued support.
- 2) The past year has been one of intense engagement and purposeful action. Amidst an evolving economic landscape, our Branch continued to play a critical role in representing members' interests, facilitating industry-government collaboration, and strengthening our manufacturing ecosystem.
- 3) Please refer to the slides as I highlight several of our Key Initiatives over the past year:
  - a) Selangor State Government's Grant Programmes  
Under the RM200,000 State Grant announced by YAB Dato' Menteri Besar Selangor, our Branch implemented three impactful programmes in collaboration with several Universities and TVET institutions:
    - Certificate Training held on July this year

  - d) Seminar on Occupational Safety & Health 2025
  - e) Meeting with Selangor Greater Klang Valley (SGKV)
  - f) MoU Signing Ceremony with MSU
  - g) Several Meetings with YB Ng Sze Han, Selangor State EXCO for Investment, Trade & Mobility, where we:
    - Addressed natural gas disruption and mitigation support for affected industries.
    - Discussed rising operational costs and regulatory challenges, proposing solutions to ease business burdens.
  - h) We are also active engagements with other Selangor State Exco members to highlight key industry concerns with:
    - YB Dato' Ng Suee Lim – Exco for Local Councils & Tourism
    - YB Jamaliah binti Jamaluddin - Exco for Public Health & Environment
    - YB Dr Mohamad Fahmi – Exco for Islamic Affairs & Acculturation of Innovation

- i) Courtesy visits to strengthen relations with key government agencies including:
  - Director of DOSH Selangor (Department of Safety & Health)
  - Director of DOE Selangor (Department of Environment)
  - Director of MACC KL (Malaysian Anti-Corruption Commission)
  - The OCPD, Police District Petaling Jaya
  - EPF Petaling Jaya

  - FMM Selangor & Kuala Lumpur Bowling Challenge 2024
  - FMM Kuala Langat Bowling Challenge 2025

Ladies and Gentlemen,

- 4) Over the past year, the Branch has been actively engaging with the Selangor State Government and various local authorities to address key issues affecting our members and the broader manufacturing community. One of our main focuses was on the Assessment Rates by Local Councils, where we voiced members' concerns to ensure that any proposed adjustments would take into account the current business climate and the financial pressures faced by industries. Through our engagements with YB Dato' Ng Suee Lim, Selangor State Executive Councillor for Local Government and Tourism, and several local councils, we emphasised the importance of a fair and transparent consultation process before any rate revision is implemented. As a result, the adjustment to the assessment rates was contained within a maximum cap of twenty-five percent (25%), which provided much-needed relief to the industry.
- 5) We also contributed industry insights and recommendations to the Selangor Greater Klang Valley (SGKV) initiative, offering industry insights to support the state's vision of sustainable industrial growth and balanced regional development.
- 6) Throughout the year, we organised town hall sessions and dialogue engagements with state agencies.
- 7) We are grateful to Majlis Bandaraya Shah Alam (MBSA) for their support in providing the venue, which allowed us to bring together industry players from Shah Alam, Petaling Jaya, Klang, Subang Jaya, Puchong, and Selayang. These sessions created a

valuable platform for members to directly voice their challenges to key government agencies including Datuk Bandar MBSA, BOMBA, OCPD, Customs, Immigration, Air Selangor, and DOE Selangor. Such interactions have proven effective in strengthening two-way communication and fostering practical, on-the-ground solutions for the industry

- 8) Our ongoing engagements with various Selangor State Executive Council Members, covering Investment, Trade and Mobility, Local Government and Tourism, Public Health and Environment, as well as Islamic Affairs and Innovation, we have further reinforced FMM Selangor's role as an active industry partner in shaping policies that directly impact manufacturing operations across the state.
- 9) One of the most significant challenges faced by our members this year was the Gas Supply Disruption, which affected production activities in several industrial areas. With the support of FMM Headquarters, we coordinated closely with Gas Malaysia, PETRONAS, Suruhanjaya Tenaga, and the affected members to convey industry feedback, monitor restoration progress, and advocate for clearer communication and stronger contingency measures moving forward.
- 10) We also raised concerns regarding the Influx of Unlicensed Foreign Operators, which has increasingly affected local businesses. The Branch urged the State Government to adopt a balanced and inclusive approach, one that continues to attract foreign investment while ensuring that local SMEs remain protected, competitive, and able to sustain their growth.
- 11) Additionally, the Branch continued to play an active role in addressing matters related to LUAS (Lembaga Urus Air Selangor), particularly on issues of water resource management and industrial usage compliance. We have been working closely with the relevant authorities to ensure that industrial water users receive clear guidelines, reasonable timelines for compliance, and fair implementation of water management policies.
- 12) Beyond advocacy, we held Branch Brainstorming Sessions to identify key challenges faced by our members and to strengthen our engagement strategies. These sessions helped us align priorities with the State Government, ensuring that FMM continues to play a constructive role in supporting policy formulation, industry development, and sustainability initiatives.

## Chairman's Address

39<sup>th</sup> Annual General Meeting

November 4, 2025 (Tuesday) | 11 am | FMM Selangor & Kuala Lumpur Branch |  
Address by Dr Helena Eian Yeut Lan, Chairman of FMM Selangor and Kuala Lumpur

---

- 13) As for membership updates, as of **June 30, 2025**, our Branch represents **1,979 member companies**, an increase from the previous year, comprising **1,490 Ordinary Members** and **489 Affiliate Members**. This growth affirms the relevance of FMM's advocacy, services, and the value we continue to provide to our members. At the same time, we acknowledge that many members are still facing economic headwinds, and some have unfortunately had to cease operations due to financial challenges.
- 14) As we move into the new term, the Branch remains firmly committed to tackling these challenges head-on by continuing to champion industry concerns, foster collaboration, and build resilience within the manufacturing ecosystem.
- 15) Before I conclude, I would like to express my heartfelt appreciation to:
- Our Branch Committee Members, Regional Chairmen, and Working Sub-Committees for their tireless efforts;
  - Our Secretariat Team for their professionalism and dedication; and
  - All member companies here today for your unwavering support and trust in FMM.

This AGM also marks the election of the Branch Committee for the new term 2025/2026 and 2026/2027. While the results will be announced later in the meeting, I would like to take this opportunity to thank all outgoing committee members for their invaluable contribution and leadership during the past term.

- 16) Together, let us move forward with confidence and unity — to shape a smarter future, strengthen our industries, and build a resilient manufacturing community for Selangor and Kuala Lumpur.

Thank you, and I wish everyone a successful AGM ahead.
