FMM Webinar on Industrial Sustainability in Action

Industry Practices and Government Initiatives

11 June 2026
9:00 am – 1:00 pm
Online Via ZOOM

Sustainability is key for businesses seeking efficiency, competitiveness, and responsible operations. This webinar showcases real-life sustainability initiatives – from energy efficiency and waste reduction to responsible resource management – highlighting practical strategies that deliver environmental, social, and business benefits. Industry practitioners and agencies will share insights to guide companies, especially MSMEs, on their sustainability journey.

- Showcase real-world sustainability initiatives implemented by companies across diverse industries.
- Gain valuable insights from government agencies and industry practitioners on effective and practical sustainability practices.
- Inspire MSMEs to adopt scalable and actionable sustainability initiatives within their operations.
- Foster meaningful knowledge exchange and collaboration among industry stakeholders.
