PROCESSING & PACKAGING

CHINA

16^{TO}18 NOVEMBER 2026

SHANGHAI

member of interpack alliance

SNIEC (Shanghai New International Expo Centre)

Discover the future of processing and packaging at interpack China 2026 (previously known as SWOP), a leading industry exhibition bringing together global innovators, manufacturers, technology providers, and buyers from across the value chain. Showcasing the latest advancements in packaging machinery, processing technologies, automation, smart manufacturing, and sustainable solutions, the exhibition serves as a premier platform for business networking, knowledge sharing, and market exploration. As demand for efficient and sustainable production continues to grow, interpack China 2026 will focus on smart manufacturing, packaging innovation and sustainability. Key highlights include the Intelligent Packaging Zone, Green Power Zone, Packaging Products & Materials Hall and the SAVE FOOD Initiative.

Join industry professionals from around the globe and experience firsthand the innovations driving the next generation of packaging and processing solutions at interpack China 2026!!!
