Driving SME Growth: UnlockingEnergy Saving, Financing & Government Support

(Business Promotion Package from Solarvest Energy Sdn Bhd)
at FMM Johor * October 13, 2026 (Tuesday) * 9.00am – 2.00pm

As businesses navigate rising operating costs, evolving market expectations and increasing sustainability requirements, SME's are presented with new opportunities to strengthen their competitiveness through green industrial development and sustainable business practices.

This session will explore how SMEs can accelerate growth by adopting sustainable strategies, improving operational efficiency and leveraging available financial solutions and funding support. Participants will gain insights into current market trends, government initiatives and practical financing options designed to support business expansion, technology adoption and sustainability transition efforts.

The event is FREE for all members, and limited seats based on first-come first-served basis.
